

# Drama Mapping: Conflict Map

Life as We Knew It Drama Map by Vanessa Z

The conflict:

Miranda isn't getting along with Megan anymore since the meteor struck the moon.

Why it occurs:

Megan has been going to church revivals lately. Her crazy pastor tells her to skip meals so others can eat. Megan spends all her time with her pastor these days

How it could be resolved:

Miranda could express her concern for Megan in a genuine way. She could visit the church with Megan and get a firsthand experience as far as what it's doing.
